

Curriculum Enhancement using Cloud Computing Workshop

The workshop activities will include development and delivery using MOOCs for targeted ADMI computer science courses. Staff from Indiana University will provide instruction using a mix of virtual and residential modes. The overarching goal of this project is to help broaden the workforce pipeline for science and technology by provided more training and information on clouds. Workshop leaders will assist participants in developing an online curriculum, including tutorials and other electronic resources.

The ADMI Curriculum Enhancement using Cloud Computing Workshop will be held June 10-12, 2016 on the campus of Elizabeth City State University in the Center of Excellence in Remote Sensing Education and Research (CERSER). To receive support from ADMI for travel you must be a current ADMI member. Membership information is available at <http://www.admiusa.org/admi-membership.pdf>.

To this completed form you should attach a current resume, a one-page statement of your goals for the workshop and a W9 form. Include a list of the courses that you instruct. Fax this information to (252) 335-3487 or 335-3790 or email to HAYDENL@MINDSPRING.COM and LAWRENCE@SPELMAN.EDU. Application deadline is April 29, 2016. For more information, visit <http://nia.ecsu.edu/eager>.
