

To: GLOBE Summer Middle School Researchers and Parents
 From: Mrs. Wanda L. Hathaway, Program Coordinator
 Date: July 1, 2019

Congratulations, your child has been chosen from a pool of candidates applying for the GLOBE Middle School Program. On Monday, July 1, 2019 at 10:00 am, students are expected to report to the (Global Learning and

Observation to Benefit the Environment) GLOBE located in room 232 in Dixon Hall on the campus of Elizabeth City State University. At least one parent or guardian must accompany the student on the first day. Parents must arrange transportation for students to and from the campus on a daily basis. The program will provide lunch for participants. Please notify us if you choose to provide special diet meals.

We look forward to working with each student this summer. The schedule for the program is below. An optional open lab period will be available in room 232 Dixon Hall each day from 10am and 3pm . Students can use the open lab periods to complete required assignments or prepare for the next day. Students will receive a stipend of \$100.00 (after the completion of task sheet assignments) on the last day of the program. Please call 337-4113 or email me at wandalhathaway@gmail.com should you have questions regarding this program.

	10am – noon	Noon – 1pm	1pm – 3pm
All Students should report to 232 Dixon Hall on the Campus of ECSU each day.
