1. The last IEEE meeting was held on Thursday March 3, 2005.
2. The distinguished lecturer was Dr. Scott Hensley, Radar Engineer, at the NASA Jet
   Propulsion Laboratory. His talk was “Mapping the World’s Topography from Space: The
   Shuttle Radar Topography Mission”.
3. Meeting called to order by Dr. Linda Hayden
4. Items discussed at the meeting included the following:
   • Reports and Minutes were read by Mrs. Keisha Wilkins. The minutes were accepted as read.
   • Danielle Graves made a report of the IGARSS 2004 conference in Anchorage Alaska Sept
     20-24, 2004. The theme of the conference was “Science for Society Exploring and
     Managing a Changing Planet.”
   • Five students have been selected to receive travel support to attend and report at IGARSS
   • Vice-President, Dr. William Porter gave a report on the ExCom Meeting.
   • Mr. Napoleon Paxton reported on the chapter webpage. Information on the webpage
     includes highlights from meetings, officer information, minutes and upcoming events.
   • Membership Development Campaign Committee was established. Members of that
     committee are Mrs. Elizabeth Noble, Mr. Jeorme Mitchell, and Mr. Kaiem Frink. This
     committee will be responsible for expanding membership and investigating the possibility
     of a joint membership with the oceanographic society.
5. No Further Business. Motion to adjourn was made by Ms. Danielle Graves and seconded by
   Ms. Karitsa Williams.
