2. Meeting was called to order by the chapter President, Dr. Linda Hayden.
3. Items discussed at this are as follows:
  - Reports and Minutes were read by Ms. Eunice Smith. The minutes were accepted as read.
  - A report was given by Ms. Eunice Smith and Ms. Ericka Pinkney on the 2005 International Geosciences and Remote Sensing Symposium in Seoul, Korea. The conference was held on July 25-29<sup>th</sup>. The theme for the conference was “Harmony between Man and Nature”.
  - Dr. William Porter, chapter vice-president, reported on ExCom activities and events.
  - A report was given on the GRSS membership campaign by Mrs. Elizabeth Noble and included a presentation focusing on IEEE knowledge, community, and profession.
  - Mr. Kenneth Ferer reported on the IEEE Oceanographic Engineering Society and funding opportunities for the outer banks.
  - The upcoming events that were discussed included:
    - ERDAS Training - November 11-12, 2005
    - Remote Sensing Explorers Videoconference with UNH – Nov. 12, 2005
    - AGU, San Francisco, CA – Dec. 5 – 9, 2006
    - IEEE-GRSS Distinguished Lecture Series – March 7<sup>th</sup>, 2006
    - IGARSS, Denver, Colorado – Jul. 31-Aug. 4, 2006
