

**IEEE Geosciences and Remote Sensing Chapter
Eastern North Carolina Section – R30171, GRS29
Minutes for November 13, 2003**

Present Chair:	Dr. Linda Hayden	
In Attendance:	Dr. Francisco San Juan Elizabeth Noble Keisha Wilkins	Sharon Brown Dr. V.P. Manglik
Guest:	Dr. Darrell Johnson Jennifer Jenkins George Wimbush Joanelle Baptiste Dr. Maurice Powell Dawit Haule Zaccheaus Eley Dr. Duwayne Williams Dr. Sivaprasad Gogineni Dr. Malcolm LeCompte	Eunice Smith Nelson Veale Jerome Mitchell Danielle Graves Karitsa Williams Dr. Chunsheng Xion Wanda Gooden Paula Harrell Anthony Anderson

1. The last IEEE meeting was held on Thursday November 13, 2003 at 6:00pm.
2. The distinguished lecturer was Dr. Sivaprasad Gogineni, a professor of Electrical Engineering and Computer Science at the University of Kansas. His talk was entitled “Microwave Remote Sensing and Applications”. His talk included a training session on Friday, November 14, 2004.
3. Items discussed at the last meeting included:
 - Highlights from the International Geosciences and Remote Sensing Symposium from 2000 – 2003. (2003 - Toulouse, France; 2002 – Toronto, Canada; 2001 – Sydney, Australia; 2000 – Honolulu, Hawaii).
 - A clip was shown of Mr. Charles Luther’s speech in Toulouse, France congratulating Elizabeth City State University for being the 1st HBCU to start a IEEE chapter
4. Decisions Taken: Selection of Officers conducted by Dr. Duwayne Williams
 - Chair, Dr. Linda B. Hayden
 - Vice-Chair, Mrs. Sharon Brown
 - Secretary/Treasurer, Mrs. Keisha Wilkins
5. No Further Business. Meeting Adjourned by Dr. Francisco San Juan.
