

IEEE-GRSS

IEEE ELIZABETH CITY STATE UNIVERSITY STUDENT BRANCH #66221

IEEE ECSU Student Branch #66221

Minutes

Tuesday, March 18, 2008

The second meeting of the IEEE Student Branch #66221 was held on March 18, 2008 at 6:00pm in 229 Dixon Hall on the campus of Elizabeth City State University. Dr. Linda Hayden, president of the IEEE-GRSS, called the meeting to order. Dr. Johnson then spoke about the opportunity to attend the 2008 Sponsored Programs Banquet on Thursday, March 27, 2008. The following students will serve as escorts:

Kaiem Frink

Lee Smalls Jr.

Uniquiea Wade

Tiwana Walton

Vernon Brown

Justin Deloatch

Michael Jefferson Jr.

Dr. Linda Hayden then spoke about the NSF CRESIS Site Visit that will take place on March 24-27, 2008. She recommended the CRESIS website for review and preparations necessary for this trip. <http://www.cresis.ku.edu>

Je'aime Powell, president of the IEEE-GRSS Student Branch introduced Uniquiea Wade whom presented a power point on her research experiences while in the Center of Excellence in Remote Sensing Education and Research (CERSER) Program. Her internship experience included Modeling and Simulation of the Seismic TET walker Concept, Correlations between the Concentrations of Chlorophyll a in Surface Waters and Dissolved Oxygen in Boom Waters of the Northern Gulf of Mexico, Airborne Measurement of Snow Thickness over Sea Ice, and Using Passive Network Discovery to Fingerprint Vulnerabilities within Ethernet Broadcast Frames. She also gave advice on gaining, maintaining, keeping an open mind before, during, and after the internship. She gave valuable pointers on how to go about finding an internship, how you should conduct yourself during the internship, that you may leave on good terms and have a lasting impact on that company to get called back. The presentation was followed by a question and answer period

Je'aime Powell, president then closed the meeting out with thanks to Dr. Lynda Hayden and thanks to Uniquiea Wade for her presentation.

The meeting was adjourned at 7:20pm where a reception followed.
