Meeting called to order at 11:10am by Chapter President Je'aime Powell
Je'aime Powell mentioned that IEEE is not registered as a Club on campus, so we need to find an advisor.
Other things to do:

> The Executive board needs to fill out the appropriate forms with roles.
> Executive board needs to request for an Institutional Trust Fund Account.
> Submit the activities that we plan to do this semester in the packet.
> Type up activities and minutes
> Robyn Evans took notes this summer at the last impromptu meeting.
> IEEE members should be more aware of the benefits.
>> Scholarship/co-ops
> IEEE formatting sessions

Other issue:
We lost Mr. IEEE due to transferring to another school. We decided to vote in our first CERSER meeting, if not we will contact the runner up Mr. Michael Austin to see if he accepts.
There were no other questions from the Executive Board.
Fundraiser Ideas:

1. Halo Tournament, was changed to a Madden Tournament.
2. Test Bank Project
3. IEEE Club needs benefits

Idea:

1. Individuals or teams will sign up, there will be a $5 fee per team/individual. We will give a prize as an incentive.
    The new version of Halo comes out September 22nd.
    The new version of Madden came out, the end of August.
    The Bowling/Commuter Center will be used for this event.
    There will be an entry/fundraiser fee of $1.
    The winner of the raffle will get $20, and the winner of the tournament will get a $50 dollar gift card.
    We need to figure out which teams will go first individuals vs. teams.
    Time of event is to be announced.
2. Start charging for people to become a member of IEEE.
3. Set up web server, create a database of any test that comes out, get a copy of the test with no answers. It will allow students to go in and see what the test for a specific class is like.
    a. Downside: people will share this information.

Community Service:

> Talk to students outside of IEEE.
> Allow students to get community service hours by attending meetings.

Meeting was closed
Respectfully submitted
Mr. Je'aime Powell
