

Celebration of Women in Mathematics

October 14, 2014 | 8 am - 1:45 pm | ECSU

The Celebration of Women in Mathematics will be held on October 14, 2014 at Elizabeth City State University. This event is sponsored by the Center for the Remote Sensing of Ice Sheets (CReSIS) and the Center of Excellence in Remote Sensing Education and Research (CERSER).

Celebration of Women in Mathematics consists of a program of workshops, talks, and math competitions for middle/high school girls and their teachers. The purpose of the program is to encourage young women to continue their study of mathematics and to raise the level of mathematics competency in Northeastern North Carolina.

Previous celebrations can be viewed at:

Awards

Given to school teams that present workshops. Teams include at least one teacher and two girls

Workshops

Hands-on mathematics activities for middle and high school girls

Trophies, Prizes, and Certificates

Bring your school's best "I LOVE MATH" cheer

Lunch

After a morning of workshops and competition, the whole group gathers to eat lunch together

Problem-Solving Sessions

A chance for students to work familiar problems with unusual twists

Resources

A collection of resource materials and career information

Contact Dr. Darnell Johnson (252) 335-3977 to discuss your plans for a math workshop.

The workshop title and a two-page workshop description must be submitted with teacher's signature.

Include your Audio/Visual needs (i.e. TV, VCR/DVD, overhead projector, etc.).

Call (252) 335-3696 by Sep. 21 to let us know how many girls will attend from your school!!
