

# Celebration of Women in Mathematics

October 20, 2016 | 8 am - 1:45 pm | ECSU

The Celebration of Women in Mathematics will be held on October 20, 2016 at Elizabeth City State University. This event is sponsored by the Center of Excellence in Remote Sensing Education and Research (CERSER).

Celebration of Women in Mathematics consists of a program of workshops, talks, and math competitions for middle/high school girls and their teachers. The purpose of the program is to encourage young women to continue their study of mathematics and to raise the level of mathematics competency in Northeastern North Carolina.

Previous celebrations can be viewed at:  
<http://nia.ecsu.edu/cwm.html>

## Workshops

Hands-on mathematics activities for middle and high school girls

## Awards

Given to school teams that present workshops. Teams include at least one teacher and two girls

## Problem-Solving Sessions

A chance for students to work familiar problems with unusual twists

## Trophies, Prizes, and Certificates

Bring your school's best "I LOVE MATH" cheer

## Lunch

After a morning of workshops and competition, the whole group gathers to eat lunch together

## Resources

A collection of resource materials and career information

Contact (252) 335-3696 to discuss your plans for a math workshop.

The workshop title and a two-page workshop description must be submitted with teacher's signature.

Include your Audio/Visual needs (i.e. TV, VCR/DVD, overhead projector, etc.).

**Call (252) 335-3696 by Sep. 21 to let us know how many girls will attend from your school!!**
