

24th ANNUAL CELEBRATION OF WOMEN IN MATHEMATICS

The Celebration of Women in Mathematics will be held on October 15, 2019 at Elizabeth City State University. This event is sponsored by the Center of Excellence in Remote Sensing Education and Research (CERSER).

Celebration of Women in Mathematics consists of a program of workshops, talks, and math competitions for middle/high school girls and their teachers. The purpose of the program is to encourage young women to continue their study of mathematics and to raise the level of mathematics competency in Northeastern North Carolina.
