

To: PiMERS Summer Middle School Researchers and Parents
 From: Dr. Darnell Johnson, Program Coordinator
 Date: June 19, 2017

Congratulations, your child has been chosen from a pool of fifteen candidates applying for the PiMERS Middle School Program. Students are expected to report to Room 229 in Dixon-Patterson Hall on the campus of Elizabeth City State University on **Monday, June 19, 2017 at 10:00am** with at least one parent or guardian. Parents must arrange transportation to and from the campus on a daily basis.

We look forward to working with each student this summer. The schedule for the program is below. Students can use the open lab periods to complete required assignments or prepare for the next day. Students will receive a stipend of \$100.00 (after the completion of task sheet assignments) on the last day of the program.

Please call 757-282-3409 or email me at djohnson@cerser.ecsu.edu should you have questions.
