NASA Knows!

Do you know what a black hole is? Do you want to find out about the International Space Station? Read about these topics and more!

Robots 3D

Robots 3D is a sneak peek into the future at what might be possible as scientists use innovative engineering and design to make cyber characters less "humanoid" and more just plain human. Robot "actor" RoboThespian will introduce you to CHIMP, ATLAS, PR-2, Herb the Butler, ICUB, and others as he takes you on an amazing tour of what's going on in robotics labs around the world

Field Trip Staff

Program Coordinator: Dr. Darnell Johnson, PiMERS Education Coordinator

Administrative Assistant: Mr. Joel Hathaway
