

# 2015 KU Summer Undergraduate Research Events

---

*The following events are open to any undergraduate student participating in research at KU this summer.*

## Summer Research Kick-off

Tuesday, May 26<sup>th</sup>, 6pm-7:30 pm, Kansas Union Ballroom

Join us for a buffet dinner and a chance to mingle with others participating in research this summer. Undergraduate students, their mentors, and research program staff are all invited to attend.

Research programs (REUs, etc.) should email a list of attendees from their program to [cur@ku.edu](mailto:cur@ku.edu) by May 19. Individuals can RSVP using this form by May 19: <https://ugresearch.ku.edu/2015-summer-research-kickoff-rsvp-form>

## Responsible Conduct of Research Workshop

Monday, June 1<sup>st</sup>, 4-5pm, Relays Room of Burge Union

All undergraduate students are welcome, no RSVP required. This session will serve as a follow up to the CITI Program Tutorials that we recommend all students complete: <https://www.citiprogram.org>

## Abstract Writing Workshop with the KU Writing Center

Monday, July 13<sup>th</sup>, 4-5 pm, Malott Room of Kansas Union

Writing an abstract can be a difficult task, especially if you've never done it before. Come to this workshop to learn abstract-writing basics and to work on your own rough draft. This workshop will be especially helpful to those who need an abstract to apply to present at KU's Summer Undergraduate Research Poster Session, but the event is open to any undergraduates

interested in refining their abstract-writing skills. Students should bring a draft of an abstract with them.

## Poster Presentation Basics Workshop

Monday, July 20<sup>th</sup>, 4-5pm Gridiron Room, Burge Union

All undergraduate researchers are welcome, no RSVP required. Join us for an interactive session about the nuts and bolts of putting together a poster presentation. We recommend that students watch our online Research Byte prior to attending this session:

<http://ugresearch.ku.edu/student/researchbytes/poster-presentation-basics>

## Summer Undergraduate Research Poster Session

Friday, July 31<sup>st</sup>, The Commons, Spooner Hall, 10am-12pm

Abstracts and registration are due on Friday July 17<sup>th</sup> using this online form: <https://ugresearch.ku.edu/summer-undergraduate-research-poster-session-registration>

If we have a list of your students, we'll be able to send out reminder emails to the students directly and let you know when all of your students have submitted abstracts.

*If you would like us to advertise events **open to all students or the public** on the Center for Undergraduate Research's website calendar, please email dates, time, location, RSVP information, and any other relevant information to [cur@ku.edu](mailto:cur@ku.edu).*
