

Professional Statement

I am Zyquier Brownridge 21 years old from Raleigh, North Carolina. I am currently attending WSSU as in upcoming senior. I am very interested in developing a career in cybersecurity.

Willing to start from the bottom and learn all the little details I need to learn to be one of the best in the field one day. Also, I would like to be one of the top analysts in charge of a team getting the job done. I am infatuated by what cybersecurity analysts do; it's just something I know I'll love.
