## EDUCATION

### **College of Lake County, Grayslake, IL** – *Working towards Associates in Science*

May 2018 - Present time, Grayslake

## AWARDS

**Certificate of Excellence:** For the participation and support in teaching about Latino/Hispanic cultures. While encouraging others to continue with success inside of the college.

**Blue Devil Invitational 1st Place:** For winning in an IHSPAA certified powerlifting meet in the boy's division.

**Silver Circle of Achievement:** For the participation and dedication to our club at the College of Lake County during the 2018 - 2019 academic year.

**Sustainability Award:** An annual award that honors projects, plans, policies, individuals, & organizations dedicated to supporting sustainable communities.

**2019 SGCI Coding Institute:** For participation and completion of Elizabeth City State University's 4 - week coding institute where I learned many languages like Python, JavaScript, HTML5, Apache, and many more. The institute also taught us many professional tips to seek work and present ourselves in a professional light.

**Pearc19's People's Choice Award:** An award voted by the people to the team with not only the most creative project but with the best team work. My team was able to receive over half of all the total votes (over 200) against the other 3 teams.

**SGCI Hackathon 2nd Place Award:** For participation in Pearc19's Hackathon and placing 2nd place out of 4 extremely competitive and competent teams. My team worked extremely hard for our position. My team was always the first and last ones inside of the coding station and spent sleepless nights working on our project.
