

# Michael Jefferson Jr.

## Permanent Address

865 Schloss Rd  
Louisburg, North Carolina 27549  
michaeljefferso@yahoo.com

## Temporary Address

711 Parsonage Street  
Elizabeth City, North Carolina 27909

## Objective Statement

As a graduate student I will continue to further my education by receiving my M.S. degree in Mathematics with a concentration in Remote Sensing. After this advanced degree I plan to start my career with an occupation dealing with remote sensing and mathematics.

## Education

Elizabeth City State University Graduate  
Current GPA-4.0  
Major: Mathematics  
Concentration: Remote Sensing  
Expected Graduation Date: May 2013

## Professional Skills

Adobe Dreamweaver	C++	Microsoft Power Point
Adobe Photoshop CS5	Google Earth	Microsoft Word
Adobe Fireworks	Linux	Unix
Arc GIS	Mat Lab	Wolfram Mathematica 7
Aquamacs Emacs	Microsoft Excel	

## Work/Research Experience

Center for the Remote Sensing of Ice Sheets Research Experience for Undergraduates	Elizabeth City State University (ECSU) Summer 2008
Research Week	Elizabeth City State University 2008,'09,'10
Research Week ( <b>Presenter</b> )	ECSU 2012 "ECSU Ice Shelf Project"
Undergraduate Research Experience	University of Kansas Summer (UK) 2008
Research and Discover Program (Sponsored by: NASA)	University of New Hampshire (UNH) Summer 2010
Research and Discover Program (Sponsored by: UNH Lietzel Center)	UNH Summer 2011
Graduate Research Assistant	ECSU Fall, Spring 2011

## Conferences Attended

Black Engineer of the Year Awards	Baltimore, Maryland-2008,'09
Clark-Atlanta Research Conference	Atlanta, Georgia-Spring 2008
University of New Hampshire Undergraduate Research Conference( <b>Presenter</b> )	University of New Hampshire-Spring 2008,'09, '10
American Geophysical Union Conference ( <b>Presenter</b> )	San Francisco, California Fall 2009 Boston, Massachusetts-Summer 2008
USA Science & Engineering Festival EXPO(Sponsored by: Lockheed Martin)	Washington D.C.-Fall 2010
Super Computing 2008	Austin, Texas-Spring 2008
Focus( <b>Presenter</b> )	Atlanta, Georgia 2010
