### **Call for Abstracts: Student Technical Symposium**

**NTA invites you to present papers, through submission of abstracts for our  
September 2010 Conference**

All abstract submissions must indicate the category to which their abstract is most relevant (and second choice, if appropriate). The categories are: Science, mathematics, science and technology. Be sure to indicate any special media requirements at the time of abstract submission. Student presenters must indicate whether, or not they are (at the time of the conference) undergraduate or graduate students. Presentations should be prepared as PC compatible MS word or power point files, and on a floppy disk, compact disk (CD), or USB flash drive (as appropriate). Presentation time is 15 minutes.

The deadline for abstract submission, for consideration for consideration for acceptance and inclusion in the Symposium Compendium, is July 1, 2010. Abstracts should be sent to the editor. Presentation time allowed (except for the specially invited presenters) is 15 minutes. No abstracts for Conference presentation will be accepted after August 1, 2010. Funds to support student travel expenses will be awarded based on availability and first come first serve basis. For more information regarding this, contact Dr. Oliver at (202) 575-4NTA.
