

February 6 - 12, 2012

Research Week 2012

SCIENCE TECHNOLOGY ENGINEERING MATHEMATICS

VIKING

STEM

Monday, February 6

Opportunities for Undergraduates - Jenkins Science Center, Room 138, 11 am
Department & Research Project Displays - Jenkins Science Center, Lobby, Noon
2012 Opportunities - Jenkins Science Center, Room 138, 2 pm

Tuesday, February 7

Research Partnerships I - Jenkins Science Center, Room 138, 11 am
Signing of MOU with SeaSpace - Noon
Research Partnerships II - Jenkins Science Center, Room 138, 2 pm
Remote Sensing Seminar - Dixon-Patterson Hall, Room 229, 5 pm

Wednesday, February 8

Major African American Scientists and Inventors, I and II
 Lane Hall, Room 105, 10 am
 Jenkins Science Center, Room 138, 1 pm

Thursday, February 9

MST Research Lecture I - Lane Hall, Room 105, 10 am
MST Research Lecture II - Jenkins Science Center, Room 138, 2 pm
MST Science Bowl Competition - Jenkins Science Center, Room 138, 3 pm

Friday, February 10

Student Poster Session - Ridley Student Complex
 Judging - 8-9:30 am
 Public Viewing - 10-11:45 am
Secondary School Outreach - Ridley Student Complex, 9 - 11:45 am
Department Displays
Demonstrations by:

- Virginia Air and Space Center
- Center for the Remote Sensing of Ice Sheets
- Upward Bound Program
- Aviation Science
- Port Discover

Distinguished Lecture - Burnim Fine Arts Center, 12 Noon
 CMSGT Grant Williams, Original Tuskegee Airman

CMSGT Grant Williams
Original Tuskegee Airman

Biology

Mathematics and Computer Science

Technology

Chemistry, Geology, and Physics

Pharmacy and Health Professions
