

Undergraduate Research Experience in Ocean, Marine, and Polar Science Task Sheet Summer 2008

Name _____ SSN _____
Campus/Cell Phone _____ Campus Address _____
Home Phone _____ Home Address _____
Classification _____ Citizenship _____ Major _____ Minor _____
Graduation Month and Year _____ DOB _____ Place of Birth _____
Email Address _____

Complete each of the tasks checked on this list. Have one of the mentors, tutors, or staff members enter their initials when the task has been completed and graded. This sheet must be completed on or before July 18, 2008 to ensure delivery of final stipend. It is anticipated that you will spend time designated as “open lab” in the research laboratory to complete all tasks on this list.

- ____ 1. Turn in one statement of purpose for graduate school (seniors) or internship (non-seniors).
Revisions will be required.*
- ____ 2. Attend the CReSIS Seminars and write a report. Ask questions!! Turn in questions that you asked with the answers given to your questions. (2-3 pages)*
- ____ 3. Write a review of two research articles (to be assigned by the team mentor) (2-3 pages)*
- ____ 4. Submit a biography on a minority marine/polar scientist. (3-4 pages)*
- ____ 5. View videos/DVDs of past student research closing program. Which team format most impressed you and why? What were the common team methods for presentations? You will pattern your final presentations on this model.*
- ____ 6. Complete 2 worksheets on Research articles written by Dr. Derrick Lampkin.*
- ____ 7. View video “Bridging the Gap: Minorities in Marine Science.” Write a summary of the video/DVD and 10 T/F questions with answers.*
- ____ 8. Be able to swim the length of the swimming pool using any stroke or combination of strokes. This item must be signed off by the swimming instructor.
- ____ 9. Design your professional homepage. Webpage should include a photo, resume, link to you team webpage, and links to related research. Only Mr. Wood can sign off on this item.
- ____ 10. Submit the team abstract and your top three contributions to the research project. (1-2 Pages)*
- ____ 11. Submit the final written URE team reports (oral and written). Link the final written report in IEEE format to your team webpage.
- ____ 12. Attend Seminar on IEEE Research Paper Formatting. Trainer must sign off on this.
- ____ 13. Complete Mac/Linux Labs. Only Mr. Powell can sign off on this.

*Report Format: Two pages (unless specified), single-spaced, 1” margin, Times New Roman, 12 point
