

## Visitor Information...

### Welcome to the campus of Elizabeth City State University!

For your convenience we have prepared this map to serve as a "quick reference" and guide to help you.

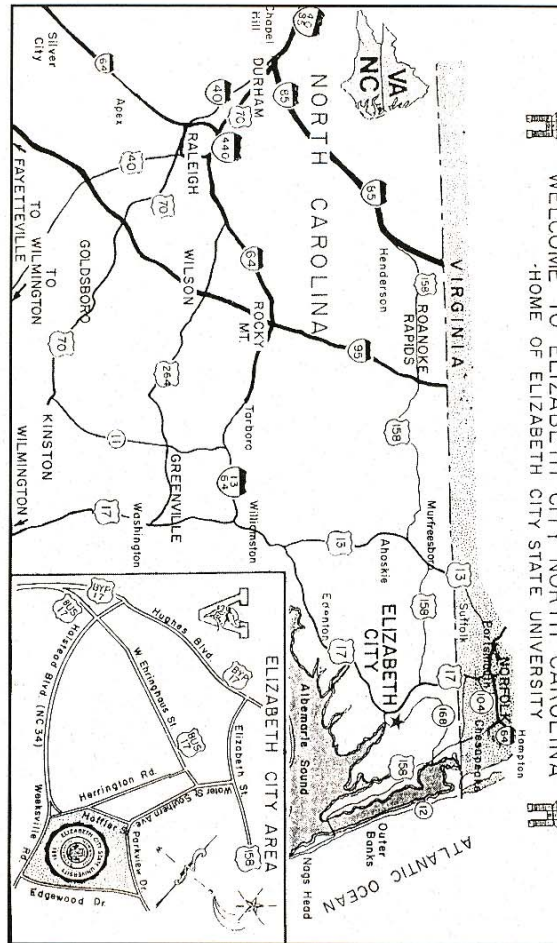

The Office of University Police is responsible for enforcing all University policies and regulations, including vehicle ordinances. As a visitor to our campus, you must first report to that area (between 8:00 A.M. and 5:00 P.M.), where you will be issued a Visitor's Pass. This pass will cover the period you expect to be on campus, and will also serve as authorization to park in visitor's parking spaces.

### Visitor passes are to be displayed on the rear view mirror.

Visitor parking is available near Moore Hall (#4), in the front of the G. R. Little Library (#7), and the Marion D. Thorpe Administration Building (#35, front and rear).

Fire Department regulations and vehicular traffic flow strictly prohibit all parking in areas where "NO PARKING ANY TIME" signs appear. Any unauthorized or unattended vehicle found in these locations will be ticketed and towed.

We are proud of our campus and hope your visit is enjoyable. If you need any assistance, please do not hesitate to contact our office. **We are here to help!**
